APPLICATION FOR ACADEMIC AND RESEARCH SCHOLARSHIP 2021/2022 ACADEMIC YEAR SPRING SEMESTER

The Faculty Grants Committee for the Faculty of Humanities of Eötvös Loránd University invites applications for the 2021/2022/2 semester for the award of a one-time academic scholarship in accordance with the Act CCIV of 2011 on National Higher Education, § 85/C. ac) subpoint, Government decree 51/2007 on grants available for and fees payable by higher education students. In accordance with (III.26) Government Decree § 10 (3) and § 10 (4) and the ELTE Academic Regulations for Students § 93 (4) (a), (b) subpoints and § 96 (6) subpoints, § 101.

THE AIM OF THE SCHOLARSHIP: The aim is to provide support for the organisation of academic activities that go beyond the curricular requirements for students in the humanities.

Attention! For activities influenced by the epidemiological situation (e.g. travel abroad), the Commission can only support activities that do not contravene the JOKT (ELTE Epidemiological Operative Coordinating Body) guidelines!

APPLICATION DEADLINES:

- Friday, 18th February 2022, 4PM
- Friday, 4th March 2022, 4PM
- Friday, 8th April 2022, 4PM
- Friday, 6th May 2022, 4PM

In the case of applications received after the deadline, the Academic Commission's decision cannot be guaranteed for that month and, in case of a positive decision, the applicant will receive the payment the following month.

ELIGIBILITY TO APPLY:

Eligible to apply are all ELTE students with a bachelor's degree in humanities who are enrolled in a state-financed or paid for full-time programme. All students are eligible to apply with active student status in bachelor, master, doctoral and single-cycle studies with active student status.

RELEVANT PARAGRAPH OF THE ACADEMIC REGULATIONS FOR STUDENTS

§ 101

(1) Students who actively participate in research or have outstanding research achievements are eligible for the research scholarship.

(2) The opening of applications for the scholarship and the rules for awarding it are set out by the EHSZÖB at the university level and by the KÖB at the faculty level. The requirements for applying for the scholarship shall be determined and published on the EHÖK website no later than 30 days ahead of the deadline for submitting the applications.

(3) The monthly amount of research scholarship shall not exceed

a) 400% of the student normative valid at the time of the approval of the grant if there are at least 50 other students apart from the applicant who take part in the research activity that the applicant is taking part in,

b) 300% of the student normative valid at the time of the approval of the grant if there are no more than 49 other students apart from the applicant who take part in the research activity that the applicant is taking part in,

c) 200% of the student normative valid at the time of the approval of the grant if the applicant is the only student taking part in the given research activity.

The level of support for the applications will happen with the possibilities of the budget.

FORMATTING REQUIREMENTS

1 Application description – In no more than 2 pages, a summary of the application, including the aim, the reason, the motivation, the time of implementation for the application.

2 Two teacher recommendations: - Recommendations from two lecturers with minimum doctoral degree, which is **signed** and **stamped** by institute or department from the lecturers employed by the Eötvös Loránd University, **or** recommendation **authenticated by AVDH and other authentic** electronic signatures, **or** a screenshot of a recommendation email written (from university email) by a lecturer with minimum doctoral degree, who is employed by the Eötvös Loránd University. If the paper-based recommendation is missing the stamp, the recommendation letter from the lecturer must be attached, where the lecturer sent the certificate. All recommendations must include the activity applied for. **Attention! Recommendations must be dated no more than four months before the deadline for the current application! Submitting older recommendations is considered as a formatting error!**

3 Budget proposal – Presentation of expenditure/planned expenditure on the application.

In case of a post-application:

4 Reporting: In case of pre-application, there is a **reporting obligation**. The applicant must send the report to tudomany@btkhok.elte.hu within 30 days of the end of the event, research trip or publication. The report must be attested by the signature of one of the lecturers who wrote the recommendation (as attachment the lecturer's certificate from the university e-mail is needed in electronic form). Missing it will result disqualification from the application until the applicant replaces it.

Only one application may be submitted for the same project deadline.

Only students are eligible to take the scholarship, so in case of a program organized together with lecturers, an application can only be submitted to support the activities of the students.

The application must be submitted via Neptun!

In the case of an application rejected because of formal reasons, there is an option to appeal by submitting the corrected application by the next submission deadline. There is no option of appeal after the last submission date in the semester.

If the applicant has the option, it is recommended to contact the President of the Commission 10 days before submitting the application and discuss the intention to apply and the circumstances of the application.

The published article or publication can be accepted within a maximum of 1 months from the date of publication.	maximum 5.000 HUF per articles, maximum 25.000 HUF per semester.

Evaluation:

- The scholarship in the application is a single payment that you can receive in the next payment period after the decision.
- By submitting the application, the applicant acknowledges that he/she has not applied for another scholarship with the document included in the application, or that the uploaded document is identical to the original, and confirms this on the application surface.
- The received applications will be evaluated in accordance with the applicable laws, regulations and this application, based on the content of the submitted application and the attached certificates. The Committee may deviate from the amounts set out in the application, in justified cases.
- Applications will be evaluated by the Committee; the applicant will be informed about the decision within 10 working days.
- If the applicant's application is incomplete (does not include the attachments provided in this application), the Committee will automatically reject the application. In the next submission period, the applicant may re-submit the application by filling in/correcting the indicated deficiencies.
- The Committee may request the original copy of the uploaded documents within 5 years of the submission. False information, uploading of false documents, or missing the original copy at the granted way and time despite the warning, may result in disciplinary procedures.
- Handling the personal data given during the application the Committee and the authorized persons are eligible. These data will only be used for the processing and evaluation of the submitted application. Personal data is processed in accordance with the provisions of the ELTE's Data Management Regulations.
- Payment of the granted amount can be carried out if the applicant's bank account number, tax identification number and place of residence (in Neptun: permanent address) are listed in Neptun. In case of missing any of these details, payment will not be possible. If the applicant does not record or correct the data required for payment in Neptun until the third payment attempt, he/she will lose the right to the scholarship granted for him/her.
