

Name of application - Program draft

The application's goals, reasons, and motivations summarised into 3-4 lines, as well as the date of the implementation and the duration of the programs.

Program draft:

Introducing the planned program in detail, in case of a period of several days it should be broken down into days, describing the use of the financial support received per location/event.

Teacher Certification:

I have read the program draft, and I have found it worthy of support.
